## JANUARY - APRIL 2013 PROGRAMS & ACTIVITIES

## GET READY FOR A HAPPY SUMMER

Summer camps at the Y focus on nurturing the potential of children and helping them grow in spirit, mind and body. We encourage fun and friendship and provide the opportunity for young people to build self-esteem, develop interpersonal skills and make lasting memories. Summer camp also provides kids with the things they need to succeed in school by providing engaging, hands-on education-based activities that help kids avoid summer learning loss.

Rest assured, your kids are in a safe environment at the Y. Our highly qualified staff receives over 40 hours of preparation prior to interacting with campers and is CPR certified.

Our programs reinforce 40 key Developmental Assets that help young people successfully meet life's challenges. Summer camp specifically focuses on the following assets: positive adult role models, other adult relationships, creative activities, positive values and conflict resolution. To learn more about the 40 Developmental Assets visit [www.search-institute.org](http://www.search-institute.org).

## NEW at The First Tee of Tampa Bay!

A branch of the Tampa YMCA, The First Tee of Tampa Bay helps kids learn the game of golf while providing them with quality out-of-school time that supports academic success and improves self-esteem. Kids develop life-enhancing values such as confidence, perseverance, and judgment through golf and character education.

### GROUP GOLF LESSONS

Learn the rules, fundamentals and etiquette of the game in small groups taught by The First Tee of Tampa Bay golf instructors; for all levels.

Sessions are available all-year long at different locations throughout Tampa. Classes meet once per week for seven weeks and are available for ages 5-18. Lessons range from as low as \$2/class (\$14) to no more than \$12/class (\$84) based on family income or location. Golf equipment will be provided if needed.

### GOLF TEAMS

The GOLF TEAMS program takes place on Saturdays starting at 2:30pm. For ages 8+, Golf Team members play 9 hole matches each week for 15 weeks and are also eligible for further playing opportunities. Price ranges from as low as \$2/match (\$30) to no more than \$6/match (\$90) based on family income or location. No prior First Tee experience is necessary to join. You must however have played at least one 9-hole round of golf and be able to hit the ball forward (but not necessarily straight) and airborne a majority of the time. There are different locations available, so see the website for full details.
