November 12, 2011

Dear Friends,

Welcome to *Rio Caribana*. Tonight we are proud to bring an international flavor to an event that makes an enormous difference in our own community, and on behalf of everyone at the Bob Sierra Family YMCA I would like to thank you for joining us and for your support of the Y's mission.

This year you have almost certainly noticed the new look of the YMCA brand; we have a new logo, new staff shirts, new signs, new flyers, and even a new way of answering the phone. But behind the new brand is the same powerful mission and the same unwavering set of responsibilities: we are for youth development, for healthy living, and for social responsibility. Our doors are open to everyone, regardless of where they live or how much they can afford to pay. We are neighbors serving neighbors.

As a part of *Rio Caribana*, you are helping to power our mission. The funds raised tonight will assist in serving our community throughout this year and into 2012. Your generous support makes it possible to give our families and children a place where they feel a sense of belonging, where they feel safe, and where they feel like themselves.

Rio Caribana is planned, created, and carried out by volunteers who believe in what the Y does, and everything that goes into making tonight special is a reflection of their passion for the Y's mission. Without their hard work and the support of our sponsors, this event would not be what it is, and neither would the Bob Sierra Family YMCA.

Thank you for joining us at *Rio Caribana*. We hope you enjoy the fun and fellowship.

Best regards,

Robert Wiggins
Group Vice President
Bob Sierra Family YMCA
